- 3. Notwithstanding anything contained in any law, any person who willfully destroys injures and removes any equipment, devices or apparatus of a renewable energy generator commits an offence and is liable on conviction to imprisonment for a period not less than five years and not more than seven years.
- 22. The Commission is empowered to regulate its own proceedings Regulations in carrying into effect the provision of the Commission's Act.
- 23. This Act may be cited as the Energy Commission Act (Amendment) Bill, 2015. 10

EXPLANATORY NOTE

This Bill seeks to amend the Energy Commission of Nigeria Act to confer power on the Commission to accord priority to promote, regulate and standardize development and utilization of renewable energy (RE), energy efficiency and conservation for sustainable energy development and their attendant effects on the environment and climate.

This bill is also to make the Commission the National Focal Point for renewable energy, energy efficiency and conservation.
