

A BILL

FOR

AN ACT TO MAKE PROVISION FROM FREEDOM FROM HUNGER AND THE RIGHT TO ADEQUATE FOOD OF ACCEPTABLE QUALITY; THE RIGHT OF EVERY CHILD TO BASIC NUTRITION AND FOR CONNECTED PURPOSES

Sponsored by Senator T.A. Orji

[] Commencement

ENACTED by the National Assembly of the Federal Republic of Nigeria, as follows-

PART I - PRELIMINARY

- 1 **1. This Bill may be cited as the Food Security Bill, 2015.** Short Title
- 2 **2. In this Act, unless the context otherwise requires-** Interpretation
- 3 “access” in relation to food means the physical, economic and social access
- 4 by a person or households to food through production, purchase or through
- 5 programmes implemented by the State to ensure that the right of every
- 6 person who is otherwise unable to procure food, is actualised;
- 7 “adequate food” means the availability of food in a quantity and quality
- 8 sufficient to satisfy the dietary needs of individuals, free from adverse
- 9 substances and acceptable within a given culture;
- 10 “at risk persons” are food-poor persons who do not have a competent social
- 11 support system and by reason of infancy, pregnancy, advanced years,
- 12 infirmity or any other reason determined by the Agency from time to time
- 13 cannot produce or purchase essential food items and commodities in
- 14 adequate quantity and quality;
- 15 “Agency” means the Food Security Agency established under section 11;
- 16 “Minister” means the Minister responsible for matters related to agriculture
- 17 and rural development;
- 18 “competent social support system” refers to familial or other relationships
- 19 implying legal duties;

1 “designated agricultural commodity” means any agricultural food commodity
2 designated as essential for the food security of the country by the Minister in
3 consultation with the Agency;

4 “essential foodstuffs and commodities” include maize, beans, wheat, rice,
5 milk, sugar, cooking fat or oil, paraffin and any other commodity as designated
6 by the Minister in consultation with the Agency;

7 “eligibility criteria index” means the index formulated by the Agency in
8 accordance with the Second Schedule and applied by the State Food Security
9 Committees to determine the levels of access to food by potential food poor
10 persons and their eligibility for the food distribution programme or the food
11 subsidy programme;

12 “emergency food assistance” refers to food provided to both food-poor persons
13 and non-food-poor persons during times of severe food shortage occasioned by
14 humanitarian disasters;

15 “family support programme” means the initiatives put in place by the Federal
16 and State Governments to raise the capacity of food poor persons, households
17 and communities to attain the capacity to access food by themselves through
18 production or purchase;

19 “food distribution infrastructure” refers to the entire complement of
20 individuals, agencies, institutions, organisations, centres and such other organs
21 as the State food security committee will designate from time to time to
22 implement the food distribution programme and the food subsidy programme
23 in the State;

24 “food distribution programme” refers to the programme established by the
25 Agency and the State Food Security Committees for the benefit of at risk
26 persons;

27 “food of acceptable quality” means food whose value of quality is determined
28 as fit for consumption based on the criteria of food safety, nutrition content and
29 standards set by the relevant certification agencies such as the Standards
30 Organisation of Nigeria or based on international standards adopted by, or

1 applicable to Nigeria by National Agency for Food and Drugs
2 Administration and Control;

3 “food production” means an activity or process of producing, preparing,
4 processing, making, preserving, packing or repackaging and or changing
5 the form of food;

6 “food security” means a situation where all people, at all times have regular
7 and permanent physical and economic access to sufficient, safe and
8 nutritious food to meet their dietary needs and food preferences for an active
9 and healthy life;

10 “food subsidy programme” refers to the programme established by the
11 Agency and the State Food Security Committees for the benefit of persons
12 with limited capability as determined by the Agency and State Food Security
13 Committees;

14 “food” means everything that originates from biological sources and water,
15 whether processed or not, which is designated as an eatable or beverage for
16 human consumption, including food additive materials, food raw material
17 and other materials used in the process of preparation, processing and or the
18 making of an eatable or beverage;

19 “food eligibility card” is the card issued to at risk persons and persons with
20 limited capability by a State food security committee to authenticate their
21 eligibility for the food distribution programme and the food subsidy
22 programme;

23 “food-poor persons” means persons, including vulnerable persons, who
24 cannot through their own or any other means produce or purchase essential
25 food items and commodities in adequate quantity and quality for short or
26 extended periods of time;

27 “freedom from hunger” means a situation where all persons have access to a
28 level of food, capable of meeting the recommended minimum dietary
29 requirements as the Agency may prescribe;

30 “malnutrition” means poor nutritional status caused by nutritional

- 1 deficiency or excess;
- 2 “minimum amount of food” means the amount of food required to meet the
3 minimum nutritional needs of an individual, according to age, sex, occupation
4 and health status, provided in-kind, in equivalent monetary value, vouchers or
5 other prescribed form;
- 6 “persons with limited capability” means a food poor person who in spite of
7 having a competent social support system are unable to produce or purchase
8 essential food items and commodities in adequate quantities and quality for
9 short or extended periods of time;
- 10 “right to food” means the right of every person to have regular, permanent and
11 free access, at all times, either directly or by means of financial purchases, to
12 quantitatively and qualitatively adequate, sufficient and safe food,
13 corresponding to his or her cultural traditions and which ensures a physical and
14 mental, individual or collective fulfilling and dignified life free of fear of
15 hunger or under nutrition;
- 16 “vulnerable persons” include infants, children, school going children, pregnant
17 and nursing mothers, the elderly, internally displaced persons, people with
18 disabilities, sick persons with chronic diseases such as HIV/AIDS, victims of
19 conflict, rural people in precarious livelihood situations, marginalised
20 populations in urban areas, groups at risk of social marginalisation and
21 discrimination and any other group that may be identified from time to time.
- 22 3. The object and purposes of this Act are-
- 23 (a) to provide a framework that promotes the realisation of the right to
24 freedom from hunger and access to food of acceptable quality as a fundamental
25 human right;
- 26 (b) to provide a framework that promotes the elimination and
27 prevention of discrimination of marginalized groups in the access and
28 distribution of food;
- 29 (c) to provide a framework that promotes food production, self-
30 sustenance and food security in relation to all persons in Nigeria;

1 (d) to provide a framework and mechanisms for the coordinated
2 implementation of the national policy, programmes and plans on food
3 security by the states governments;

4 (e) to provide a mechanism for ensuring that food poor persons
5 access food at all times in adequate quantities and quality through the
6 implementation of State sponsored programmes.

7 (f) to provide for the establishment of institutions that will advance
8 co-operative governance and procedures for co-ordinating food security
9 functions exercised by the State;

10 (g) to provide a framework for the planning, budgeting and
11 implementation of the national policy on food security and nutrition using a
12 rights as approach and to ensure the participation of rights holders and the
13 accountability of duty bearers;

14 (h) to guarantee the integration of the needs of vulnerable persons
15 in food and nutrition strategies;

16 (i) to ensure that food is treated as a national strategic resource;

17 (j) to ensure that emergency situations that threaten mass access to
18 food are anticipated, mitigated and addressed with equity and speed; and

19 (k) to provide for a cross-sectoral networking platform comprising
20 all relevant ministries, agencies and actors concerned with the production,
21 storage, and sale of food for purposes connected to ensuring access to food
22 by all Nigerians at all times.

23 4. All persons under this Act shall, in the performance of their
24 functions under this Act, be guided by the following principles-

Guiding
Principles

25 (a) universality, non-discrimination and equity in the access to
26 adequate food;

27 (b) preservation of the freedom and dignity of every human being;

28 (c) accountability of duty bearers and transparency in the food
29 sector particularly emergency food aid;

30 (d) coordinated public participation in the formulation,

1 implementation, monitoring and control of policies and plans related to food
2 and nutrition security in every sector of government;

3 (e) integrity and accountability in the determination of the food poor
4 status of persons taking into account any other assistance they are eligible for
5 including development funds or assistance from the government targeting
6 specific categories of persons including women and the youth for the
7 improvement of their general well being;

8 (f) empowerment and capacity building as a means of facilitating the
9 attainment of the right to food;

10 (g) targeted empowerment and capacity building initiatives for both
11 at risk persons and persons with limited capability through the application of
12 State sponsored programmes in order to enable those receiving assistance
13 produce or purchase their own food in the shortest time possible;

14 (h) transparency in the implementation of programmes and activities
15 relating to food security and the allocation and utilization of public and private
16 resources;

17 (i) availability and access to timely and reliable information through
18 the establishment of a simple fair and accessible procedure enabling a person to
19 seek information relevant to the enjoyment of the right to food; and

20 (j) ensure that interventions are based on objective information and
21 methods, and monitoring mechanisms and regular evaluations are established,
22 thus ensuring transparency in the public management and social audit and that
23 the needs of the population are taken into account.

24 PART II - THE RIGHT TO FOOD

Right to food

25 5. -(1) Pursuant to the provision of this Bill, every person has the right
26 to be free from hunger and to have adequate food of an acceptable quality.

27 (2) For the enjoyment of the right to adequate food and freedom from
28 hunger, the Federal and State Governments shall-

29 (a) respect, protect and fulfil the human right to food and guarantee
30 mechanisms for its enforcement;

1 (b) ensure the availability, accessibility, adaptability and
2 acceptability of food for all in Nigeria by making provision for access to
3 production resources, income and support and maintaining an enabling
4 environment in which households can attain adequate access to food and
5 nutrition through their own efforts;

6 (c) promote the production of diverse crops and foods and put in
7 place measures including irrigation schemes, water harvesting schemes and
8 other programmes that ensure the availability of adequate food for all;

9 (d) put in place mechanisms that ensure the availability of farm
10 inputs and implements and other mechanisms of food production in order to
11 facilitate food production;

12 (e) ensure physical access to food that meets the minimum dietary
13 needs of persons or communities suffering from or threatened with
14 starvation;

15 (f) put in place adequate infrastructure to facilitate access and
16 circulation of food particularly in areas affected by food insecurity.

17 (g) formulate and implement the family support programme and
18 other appropriate programmes targeting-

19 (i) poor persons, households and communities for the greater
20 enhancement of their ability to produce or purchase essential food items and
21 commodities in adequate quantities and quality; and

22 (ii) at risk persons and persons with limited capability for the
23 purpose of building their capacity to access food on their own through
24 interventions that mitigate the factors that cause them to be food poor;

25 (h) put in place measures to ensure the availability and
26 accessibility of food for individuals, groups and communities caught up in
27 food emergencies and humanitarian disasters;

28 (i) protect individuals, groups and communities from
29 encroachment or interference by any person to the access to food;

30 (j) ensure the ability of citizens to feed themselves by protecting

1 citizens from the activities of private actors by establishing protective
2 mechanisms against arbitrary evictions from land, eliminating collusion by
3 private business to control food market-prices, enforcing laws on minimum
4 wages, preventing and remedying pollution of land, water and other sources of
5 livelihood by private actors and guaranteeing the safety of food in the market
6 and such other activities as they may consider necessary;

7 (k) take all reasonable measures to ensure that food resources and
8 sources of food production are protected from destruction and are sustained for
9 future use;

10 (l) monitor and evaluate strategies and programmes for the realization
11 of the right to be free from hunger and the right to food adequate food;

12 (m) provide an opportunity for the public to develop their
13 understanding, skills and capacity necessary for achieving equitable and
14 effective participation in the formulation, implementation and monitoring of
15 any policies, strategies or programme interventions aimed at realizing food and
16 nutrition security; and

17 (n) guarantee transparency and accountability in the design and
18 implementation of programmes and interventions by ensuring that such
19 programmes and interventions on food security are based on objective
20 information and methods and that they are regularly monitored and assessed.

21 6. -(1) The Federal and State governments shall to the extent of their
22 constitutional mandate promote the physical and economic access to adequate
23 food of acceptable quality.

24 (2) In ensuring that the Federal Government fulfils its obligations
25 under subsection (1), the Agency shall-

26 (a) take measures to create the opportunities and environment in
27 which the right to adequate food can be realised;

28 (b) adopt a comprehensive national strategy and plan of action and
29 policies to promote the realisation of right to adequate food;

30 (c) support the domestic production of diverse foods including the

1 cultivation of traditional crops and ensure that such food is accessible to
2 persons in areas affected by food insecurity;

3 (d) promote traditional and other practices and technologies of
4 food production that ensure the conservation of biodiversity;

5 (e) promote food production by establishing programmes that
6 ensure farmers have adequate farm inputs and implements to carry out food
7 production;

8 (f) promote a food nutrition culture which reappraises local
9 knowledge and makes it possible to develop food and hygiene best
10 practices;

11 (g) create, in consultation with the relevant State executive
12 committee member and the Minister Secretary responsible for trade,
13 appropriate areas for setting up local and regional food markets;

14 (h) ensure that precautionary measures are taken to mitigate
15 emergencies in relation to the unavailability of food;

16 (i) promote investment in infrastructure to facilitate the movement
17 of foods within local areas and to areas that suffer from a food shortages;

18 (j) promote the circulation of and access to timely market
19 information by farmers; and

20 (k) facilitate access to resources and means of production and
21 promoting the effective utilization of resources for maximum food
22 production.

23 7.-(1) The Federal and State governments shall, to the extent of
24 their constitutional mandate ensure that the minimum dietary needs of
25 persons who cannot through their own means and for reasons beyond their
26 control access food and basic nutrition for survival, are met.

Obligation relating
to freedom from
hunger

27 (2) In fulfilling their obligations under subsection (1), the Federal
28 and State governments shall-

29 (a) adopt appropriate policies and action plans that promote food
30 security;

1 (b) enhance preparedness to respond to food emergencies and to
2 ensure provision for designated individuals and groups by establishing the
3 institutional framework contemplated in this Act; and

4 (c) adopt culturally-sensitive responses in ensuring that all persons
5 are free from hunger.

6 (3) For purposes of subsection (1), eligibility of a vulnerable person
7 for assistance shall be determined using a probability of an acute diminished
8 access to food at level of consumption, due to environmental, social or
9 economic risks and reduced capacity to cope with such risks.

10 (4) The Agency may make regulations setting out the criteria for the
11 identification of eligible persons for the effective implementation of this Act.

Child nutrition

12 8. -(1) The Federal and State governments shall to their extent of their
13 mandate as set out under the Constitution, promote childhood nutrition.

14 (2) The Federal and State governments shall collaborate with such
15 stakeholders as may be necessary to establish and implement programmes that
16 promote child nutrition and food security taking into consideration the interests
17 of vulnerable and marginalized children.

Pregnant and
lactating women

18 9.-(1) Every woman has the right to adequate food during pregnancy
19 and lactation.

20 (2) The Minister responsible for health shall, in consultation with the
21 Agency-

22 (a) put in place measures to ensure that the special nutrition needs of
23 pregnant and nursing women who are food poor are met and that assist mothers
24 to provide adequate care for their infants;

25 (b) promote measure that ensure that pregnant and nursing women
26 have access to information about their nutrition needs and those of their
27 children;

28 (c) establish, in consultation with the Agency, programmes, health
29 interventions and monitoring and support systems that promote the health and
30 nutrition of pregnant and lactating women;

1 (d) promote and protect the right of infants to breast milk and to
2 appropriate weaning foods after six months of age and adopt appropriate
3 measures to ensure the enjoyment of the right to food for infants; and

4 (e) adopt measures to provide for food and nutrition needs of
5 orphaned and vulnerable infants.

6 10.-(1) The governments shall not discriminate directly or
7 indirectly against any person on any ground, including race, sex, pregnancy,
8 marital status, health status, ethnic or social origin, colour, age, disability,
9 religion, conscience, belief, culture, dress, language or birth.

Prohibition of
discrimination

10 (2) Notwithstanding subsection (1), the governments may take
11 such action as they may consider necessary to remedy past effects of
12 discrimination against a person or group of persons and promote equality of
13 opportunities with regard to the right to food.

14 (3) Any action taken by the governments under subsection (2) shall
15 not be considered to constitute discrimination as contemplated under
16 subsection (1).

17 PART III - ESTABLISHMENT OF THE FOOD SECURITY AGENCY

18 11.-(1) There is established an Agency to be known as the Food
19 Security Agency.

Establishment of
the Agency

20 (2) The Agency shall be a body corporate with perpetual
21 succession and a common seal and shall, in its corporate name, be capable
22 of-

23 (a) suing and being sued;

24 (b) taking, purchasing or otherwise acquiring, holding, charging or
25 disposing of movable and immovable property;

26 (c) borrowing and lending money;

27 (d) entering into contracts; and

28 (e) doing or performing all other things or acts for the proper
29 performance of its functions under this Act which may be lawfully done or
30 performed by a body corporate.

Functions of
the Agency

- 1 **12. -(1) The functions of the Agency shall be to-**
- 2 **(a) formulate strategies, plans and programmes to facilitate the**
- 3 **realization of the right to food taking into consideration the rights of vulnerable**
- 4 **and marginalized persons;**
- 5 **(b) monitor and evaluate the implementation of policies, plans and**
- 6 **strategies on food security and nutrition in Nigeria by the State Food Security**
- 7 **Committees;**
- 8 **(c) appraise and review the levels of access to food by all Nigerians**
- 9 **terms of quantity and quality and liaise with State Food Security Committees**
- 10 **and relevant agencies in ensuring optimal access;**
- 11 **(d) collaborate with the relevant Agencies and stakeholders in the**
- 12 **establishment of appropriate mechanisms that ensure access by food poor**
- 13 **persons to adequate food in both quantity and quality;**
- 14 **(e) promote measures to improve security and access to land and**
- 15 **water resources and the optimum and sustainable utilization of these resources;**
- 16 **(f) monitor the issuance and administration of the food eligibility card**
- 17 **to eligible Nigerians by the State Food Security Committees to ensure that food**
- 18 **poor persons access food with ease and in a timely manner;**
- 19 **(g) monitor the implementation of the food distribution programme**
- 20 **and the food subsidy programme by the State Food Security Committees;**
- 21 **(h) monitor and evaluate the implementation of policies, plans and**
- 22 **strategies on food security and nutrition in Nigeria and provide feedback to all**
- 23 **relevant ministries, agencies and actors concerned with food production,**
- 24 **storage and sale for their further action; and**
- 25 **(i) in consultation with the National Emergency Management**
- 26 **Agency, carry out emergency response and mitigation programmes including,**
- 27 **where appropriate, food distribution and feeding programmes in the case of a**
- 28 **food emergency or whose residents are affected by malnutrition.**
- 29 **(2) In performing its functions under subsection (1), the Agency shall-**
- 30 **(a) collaborate with the relevant public entities-**

- 1 (i) in putting in place measures to address factors that hinder the
2 realization of the right to food and freedom from hunger; and
- 3 (ii) in ensuring that their economic and social programmes and
4 activities do not negatively affect the human right to food;
- 5 (b) collaborate with the committees and relevant state and private
6 agencies in carrying out activities that result in the increase and
7 improvement of agricultural production and the availability, access,
8 utilization and stability of food among women and smallholder farmers in
9 order to decrease poverty and hunger, improve health and achieve
10 household food and nutrition security;
- 11 (c) collaborate with the relevant Ministries responsible for matters
12 relating to land in the formulation and implementation of strategies that
13 promote agriculture and land reforms for the purpose of enhancing food
14 security;
- 15 (d) strengthen the networking and coordination of relevant sectoral
16 and integrated databases on food security and nutrition data by the relevant
17 agencies;
- 18 (e) promote research, nutrition surveillance, data collection,
19 analysis and the sharing and dissemination of information on food security;
- 20 (f) formulate in collaboration with the State Food Security
21 Committees, an eligibility criteria index;
- 22 (g) liaise with the relevant Government Agencies for the
23 implementation of economic and social programmes and activities that
24 promote the right to adequate food and freedom from hunger;
- 25 (h) create an e-platform to facilitate the linkages amongst the State
26 Food Security Committees and between the Agency and the committees;
- 27 (i) collaborate with the State Food Security Committees in
28 assisting households affected by emergencies to restore lost livelihoods
29 assets, capital and means of food production through emergency
30 programmes linked to long-term initiatives;

1 (j) promote diversification and the use of alternative methods of
2 agriculture and livestock systems and the production of diverse food crops to
3 mitigate against drought and other climatic conditions that negatively impact
4 food production; and

5 (k) perform such other functions for the better implementation of this
6 Act or as may be conferred on it under any other written law.

Headquarters of
the Agency

7 **13.-(1)** The headquarters of the Agency shall be in Abuja.

8 (2) The Agency may establish such other offices anywhere in Nigeria
9 as it may consider necessary for the discharge of its functions under this Act.

10 **PART IV - MANAGEMENT OF THE AGENCY**

Board of the
Agency

11 **14.-(1)** The management of the Agency shall vest in a Board which
12 shall consist of-

13 (a) a chairman appointed by the President and subject to the
14 confirmation of the Senate;

15 (b) the Permanent Secretary responsible for matters relating to
16 agriculture or their designated representative;

17 (c) the Permanent Secretary responsible for matters relating to
18 national planning or their designated representative;

19 (d) the Permanent Secretary responsible for matters relating to public
20 health or their designated representative;

21 (e) the Permanent Secretary responsible for matters relating to
22 finance or their designated representative;

23 (f) the Director General who shall be an ex-officio member, secretary
24 to the Board and chief executive officer of the Agency.

25 (2) The alternative representatives of the members referred to under
26 subsection (1) (b) (i) shall have Agency to exercise the powers and functions of
27 the designating Agency in relation to matters before the Board.

28 (3) The chairperson of the Board under subsection (1) (a) shall be
29 competitively recruited and appointed by the Minister.

1	15. A person shall be qualified for appointment as the chairperson	Qualifications for appointment
2	of the Board if that person-	
3	(a) holds a masters degree from a university recognised in Nigeria	
4	(b) has knowledge and experience in matters related to food	
5	security; and	
6	(c) has a working knowledge in any of the following fields-	
7	(i) land and agrarian reforms;	
8	(ii) public health;	
9	(iii) sociology; and	
10	(iv) statistics.	
11	16. The chairperson shall hold office for a term of four years and	Tenure of office
12	shall be eligible for reappointment for one further term.	
13	17. There shall be paid to the chairperson of the Board, such	Remuneration of chairperson
14	remuneration, fees or allowances as the Salaries and Remuneration	
15	Commission shall determine.	
16	18. The office of the chairperson of the Board shall become vacant	Vacation of office
17	if the chairperson-	
18	(a) is unable to perform the functions of his or her office by reason	
19	of mental or physical infirmity;	
20	(b) is otherwise unable or unfit to continue serving as the	
21	chairperson of the Board;	
22	(c) is adjudged bankrupt;	
23	(d) is convicted of a criminal offence and sentenced to a term of	
24	imprisonment of not less than six months;	
25	(e) is absent, without reasonable cause, from three consecutive	
26	meetings of the Board;	
27	(f) resigns in writing addressed to the President;	
28	(g) fails to declare his or her interest in any matter being considered	
29	or to be considered by the Board; or	
30	(h) dies.	

Powers of the Board

1 **19.** The Board shall have all the powers necessary for the proper
2 performance of its functions under this Act and in particular, but without
3 prejudice to the generality of the foregoing, the Board shall have power to-
4 (a) enter into contracts;
5 (b) manage, control and administer its assets in such manner and for
6 such purposes as best promote the purpose for which the Agency is established;
7 (c) determine the provisions to be made for its capital and recurrent
8 expenditure and for the reserves of the Agency;
9 (d) receive any grants, gifts, donations or endowments and make
10 legitimate disbursements therefrom;
11 (e) enter into association with such other bodies or organizations
12 within or outside Kenya as it may consider desirable or appropriate and in
13 furtherance of the purposes for which the Agency is established;
14 (f) open such bank accounts for its funds as may be necessary; and
15 (g) invest any funds of the Agency not immediately required for its
16 purposes.

Committees of the Board

17 **20.** -(1) The Board may establish such committees as it may consider
18 necessary for the performance of its functions and the exercise of its powers
19 under this Act.

20 (2) The Board may co-opt any person to sit on any committee
21 established under subsection (1), whose knowledge and skills are found
22 necessary for the performance of the functions of the Board.

Delegation by the Board

23 **21.** The Board may by resolution either generally or in any particular
24 case, delegate to any committee of the Board or to any member, officer,
25 employee or agent of the Agency, the exercise of any of the powers or the
26 performance of any of the functions of the Board under this Act or under any
27 other written law.

Conduct of business affairs of the Board

28 **22.** -(1) The Board shall conduct its affairs in accordance with the
29 provisions of the First Schedule.

30 (2) Except as provided in the First Schedule, the Board may regulate

1 its own procedure.

2 **23.-(1) There shall be a Director-General of the Agency who shall** Director-General
3 **be competitively recruited and appointed by the Board, on such terms and**
4 **conditions as the Board shall determine.**

5 **(2) A person shall not be qualified for appointment as a**
6 **Director-General under subsection (1) unless that person-**

7 **(a) holds a doctorate degree from a university recognized in**
8 **Nigeria; and**

9 **(b) has knowledge and at least ten years' experience in the food**
10 **security sector.**

11 **(3) The Director-General shall be an ex-officio member of the**
12 **Board and shall have no right to vote at any meeting of the Board.**

13 **24. The Director-General shall be appointed for a term of five years** Tenure of office
14 **and shall be eligible for re-appointment for one further term.** of Director-
General

15 **25. -(1) The Director-General shall be the chief executive officer of** Functions of the
16 **the Agency and secretary to the Board** Director-General

17 **(2) In exercise of his or her functions under this Act the Director-**
18 **General shall, subject to the direction of the Board-**

19 **(a) be responsible for the day-to-day management of the Agency;**

20 **(b) manage the funds, property and affairs of the Agency;**

21 **(c) be responsible for the management of the staff of the Agency;**

22 **(d) oversee and coordinate the implementation of the policies,**
23 **programmes and objectives of the Agency;**

24 **(e) administer the funds provided for the implementation of the**
25 **food distribution programme and the food subsidy programme both at the**
26 **Federal and State levels;**

27 **(f) cause to be prepared for the approval of the Board-**

28 **(i) the strategic plan and annual plan of the Agency; and**

29 **(ii) the annual budget and audited accounts of the Agency.**

Removal of
Director-General

1 **26.** The Board may terminate the appointment of the Director-
2 General in accordance with his or her terms and conditions of service for-
3 (a) inability to perform the functions of the office arising out of
4 physical or mental incapacity;
5 (b) gross misconduct or misbehaviour;
6 (c) incompetence or neglect of duty; or
7 (d) any other ground that would justify removal from office under the
8 terms and conditions of service.

Staff of the
Agency

9 **27.** -(1) The Board may appoint such officers, agents and staff as are
10 necessary for the proper and efficient discharge of the functions of the Agency
11 under this Act.
12 (2) The staff appointed under subsection (1) shall serve on such terms
13 and conditions as the Board may, in consultation with the Salaries and
14 Remuneration Commission, determine.

Common seal
of the Agency

15 **28.**-(1) The common seal of the Agency shall be kept in the custody of
16 the Director-General or such other person as the Board may direct, and shall
17 not be used except upon the order of the Board.

18 (2) The common seal of the Board shall, when affixed to a document
19 and authenticated, be judicially and officially noticed and unless the contrary is
20 proved, any order or authorization by the Board under this section shall be
21 presumed to have been duly given.

22 (3) The seal of the Agency shall be authenticated by the signature of
23 the Director-General and the chairperson of the Board or in the absence of
24 either person, such other member of the Board who shall be designated by the
25 Board for that purpose on his or her behalf.

Protection from
personal liability

26 **29.**-(1) No matter or thing done by an officer or an employee of the
27 Agency shall, if the matter or thing is done bona fide for executing the
28 functions, powers or duties of the Agency, render the officer or employee so
29 acting, personally liable for any action, claim or demand.

30 (2) Subsection (1) shall not relieve the Agency from liability to pay

1 compensation or damages to any person for any injury to that person, or
2 other loss caused by the exercise of any power conferred by this Act or any
3 other written law or by the failure of any works of the Agency.

4 PART V - THE SECRETARIAT

5 30. -(1) There shall be a secretariat to the Agency which shall The Secretariat
6 consist of-

7 (a) the Director-General who shall be the head of the secretariat;

8 and

9 (b) such other persons as the Board shall determine for the proper
10 performance of the functions of the secretariat under this Act.

11 (2) The persons under subsection (1)(b) shall be competitively
12 recruited and appointed by the Board on such terms and conditions as the
13 Board shall, in consultation with the Salaries and wages Commission
14 determine.

15 (3) The persons appointed under subsection (1) (b) shall possess
16 such knowledge and experience as shall be determined by the Board.

17 31. The functions of the Secretariat shall be to-

Functions of the
Secretariat

18 (a) provide technical and administrative services to the Board;

22 formulation of and implementation of programmes by the Agency;

23 (d) on behalf of the Agency, establish and maintain relationships
24 with international, national and local institutions on food security;

25 (e) coordinate and monitor the implementation of programmes and
26 plans by State governments on food security;

27 (f) make arrangements for periodical evaluation of the policies and
28 programmes in relation to the objects and functions of the Agency; and

29 (g) perform such other functions as may be assigned to it by the Agency.

1 diversity within the state.

2 (5) The committee may co-opt such persons not exceeding two in
3 number to sit in the committee, whose knowledge and skills are found
4 necessary for the performance of the functions of the committee.

5 (6) A State Government may establish a fund which shall be
6 administered by the state food security committee and into which shall be
7 paid at least ten percent or such other amount as may be agreed upon by the
8 state government of the annual funds available to the state constituting
9 contributions from both the federal and state governments with respect to
10 the implementation of the food distribution programme and the food
11 subsidy programme for the purposes of providing emergency food
12 assistance.

13 33. -(1) The functions of a state food security committee shall be
14 to-

Functions of the
State Security
Committees

15 (a) implement the food security policy and programmes in the
16 state;

17 (b) advise the Agency on technical issues related the
18 implementation of different programmes on food security within the state;

19 (c) collaborate with the Agency and agencies in the state in
20 ensuring a co-ordinated approach in facilitating the access of food in the
21 State;

22 (d) serve as an early warning mechanism on impending food
23 insecurity situations within the State and advise on mitigation measures to
24 address the situation;

25 (e) initiate, undertake and participate in the collection, preparation,
26 production and dissemination of data and information on food security and
27 nutrition in the state;

28 (f) ensure the proper identification of food insecure areas
29 appropriate programmes and eligible beneficiaries in relation to food
30 security programmes and the correct application eligibility criteria;

1 (g) ensure that food and nutrition security issues are incorporated in
2 the programmes of the State and monitor the performance of the State in the
3 implementation of the policies, programmes and plans on food and nutrition
4 security issues;

5 (h) determine the essential foodstuffs and commodities within the
6 State for the purpose of implementing food distribution programmes and food
7 subsidy programmes;

8 (i) spearhead the formation and operationalization of food and
9 nutrition committees at community levels and in schools and health centres;

10 (j) coordinate activities of State organs, institutions, the private
11 sector, non-governmental organizations and community based organizations
12 involved in food and nutrition programmes in the State;

13 (k) establish and implement food distribution programmes and food
14 subsidy programmes taking into account the peculiar circumstances of the
15 respective State;

16 (l) establish a competent food distribution infrastructure in the State
17 to facilitate distribution of food and the implementation of food programmes in
18 the State;

19 (m) establish a mechanism for the disbursement of emergency food
20 assistance in collaboration with the Agency; and

21 (n) mobilise and sensitize the community on food and nutrition
22 programmes and in collaboration with the relevant stakeholders and
23 institutions in the area, conduct capacity building, education and information
24 campaigns on food and nutrition security issues.

25 (2) The State Food Security Committees shall be under the control
26 and direction of the state governor in the implementation of its functions in
27 accordance with the policies of the Agency and shall collaborate with the
28 Agency in the carrying out of its functions under subsection (1).

29 **34. The provisions relating to the conduct of the affairs of the Board**
30 **prescribed in the First Schedule shall apply with necessary modifications to the**

1 conduct of the affairs of the state food security committee.

2 PART VII - FOOD INSECURITY AND INFORMATION MAPPING SYSTEMS

3 35.-(1) The Agency shall in collaboration with the Ministries
4 responsible for finance, disaster management, planning and national
5 security, establish food insecurity and information mapping systems to
6 provide the information needed to develop and strengthen the capacity to
7 respond to food emergencies.

Establishment
of information
and mapping
systems

8 (2) In performing its functions under subsection (1), the Agency
9 shall-

10 (a) support the development of disaster management plans in
11 relation to food security by implementing organs;

12 (b) establish a rights based early warning system and emergency
13 preparedness strategies on food security and safety;

14 (c) systematically undertake disaggregated analysis on the food
15 insecurity, vulnerability and nutritional status of different groups in society,
16 with particular attention to assessing any form of discrimination that may
17 manifest itself in greater food insecurity and vulnerability to food insecurity,
18 or in a higher prevalence of malnutrition among specific population groups;

19 (d) develop and identify corrective measures for the purpose of
20 addressing and preventing causes of food insecurity and malnutrition;

21 (e) establish systems to ensure the feedback of information in such
22 formats as it may consider appropriate on food security and nutrition to
23 priority federal, state and local government levels through the appropriate
24 media;

25 (f) establish risk management and vulnerability mapping systems;

26 (g) establish and coordinate sector specific roles and mandates
27 related to vulnerability and emergency response; and

28 (h) undertake a food security baseline and impact assessment at all
29 levels of governance to guide vulnerability and emergency response.

30 (3) In furtherance to subsection (2), the Minister responsible for

1 matters related to special programmes shall, in consultation with the relevant
2 State organs, provide to the Agency, information on vulnerability response
3 mechanisms, including budget estimates to support vulnerable persons.

Food impact
assessments

4 36. -(1) In formulating and prior to the implementation of a proposal,
5 policy, programme or project that may affect the realization of the right to food,
6 the relevant State organ or concerned person shall carry out an impact
7 assessment to identify, predict, evaluate and mitigate economic, social and
8 other effects of such policy, programme or project.

9 (2) Where an existing written law requires the undertaking of an
10 impact assessment prior to the implementation of a project or programme, the
11 State organ or concerned person shall incorporate in that impact assessment, a
12 food impact assessment in the manner prescribed by the Agency under
13 subsection (4).

14 (3) The Agency shall cause to be undertaken an annual right to food
15 impact assessment to identify the impact of policies, programmes and projects
16 on the realisation of the right to food.

17 (4) The Agency shall determine the manner in which impact
18 assessments under subsection (1) shall be undertaken including-

- 19 (a) the screening of any proposal, policy, programme or project;
- 20 (b) the undertaking of scoping exercises and examination of
- 21 alternatives measures for the achievement of the same objectives;
- 22 (c) the undertaking of the impact analysis;
- 23 (d) the identification and implementation of mitigation measures; and
- 24 (e) the undertaking of public consultation.

25 PART VIII - POWERS OF THE PRESIDENT IN SITUATIONS OF

26 FOOD EMERGENCY

Food emergency

27 37.-(1) The President may declare a food emergency if, in his opinion,
28 there is a major shortfall in the domestic production or availability of a
29 designated agricultural commodity.

30 (2) When the President declares a national food emergency under

1 subsection (1), the powers of the Agency under this Act shall vest in the
2 Minister.

3 (3) The Minister shall exercise the powers of the Agency during the
4 existence of the national food emergency and for not more than thirty days
5 after the end of the emergency as declared by the President.

6 (4) Where the Minister exercises the powers of the Agency referred
7 to under subsection (2), the Agency shall act as an advisory committee.

8 PART IX - FINANCIAL PROVISIONS

9 38.-(1) There may be established a fund which shall consist of Funds of the
10 monies specified under subsection (2). Agency

5 the quantity of food or its monetary value, needed to prevent and address
6 hunger and

7 (3) For the purposes of Article 94 (6) of the Constitution:

8 (a) the power of the Agency to make regulations shall be limited to
9 bringing into effect the provisions of this Act and the fulfilment of the
10 objectives specified under subsection (1); and

11 (b) the principles and standards set out under the Interpretation and
12 General Provisions Act and the Statutory Instruments Act, 2013 in relation
13 to subsidiary legislation shall apply to regulations made under this Act.

14 SCHEDULES

15 FIRST SCHEDULE

16 *(Section 22, 35)*

17 PROVISIONS RELATING TO MEETINGS OF THE BOARD OF THE AGENCY

18 1. The Board of the Agency shall meet at least once in every three
19 months to conduct the business of the Board of Agency.

20 2. The chairperson may on his or her own motion, or upon request
21 by a member, call a special meeting of the Board of the Agency at any time,
22 where he or she considers it expedient for the transaction of the business of
23 the Board of the Agency.

24 3. Other than a special meeting, or unless three quarters of
25 members agree, at least fourteen days' written notice of every meeting of the
26 Board of the Agency shall be given to every member of the Board of the
27 Agency by the secretary.

28 4. The quorum at a meeting of the Board of the Agency shall be
29 half of the members or such greater number as may be determined by the
30 Board of the Agency in respect of an important matter.

1 (e) the inclusion of relevant and responsive parameters in the index
2 to enable accurate determination of the food poor status of respective
3 persons;

4 (f) the simplicity of the index to allow for the officer administering
5 the index to use it effectively and for the person to whom it is being
6 administered to understand the process;

7 (g) the flexibility and adaptability of the index to allow for its use in
8 the diverse circumstances found in the different States of the country;

9 (h) the ease with which the index will be administered to diverse
10 persons across the States;

11 (i) geographical and cultural sensitivity and appropriateness of any
12 programme, plan or intervention;

13 (j) the inclusion of a periodic re-evaluation mechanism to review
14 the need for holders of food eligibility cards to continue to hold them;

15 (k) the inclusion of all relevant factors that pertain to the status of at
16 risk persons and persons with limited capability insofar as determination of
17 their food poor status is concerned;

18 (l) the existence of other development initiatives and funds in the
19 State to assist the inhabitants to improve their general well being and the
20 extent to which persons eligible for the food poor status avail themselves of
21 such benefits;

22 (m) relevant provisions regarding the operationalization of such
23 other food assistance mechanisms contained in international and regional
24 instruments; and

25 (n) adherence to the principles of participation, accountability,
26 non-discrimination, transparency and empowerment.

EXPLANATORY MEMORANDUM
