29 sufficient knowledge and skill for practice as a chemist;

30 (c) any institution in Nigeria which the Council considers properly

1 organized and equipped for conducting the whole or any part of a course of  
2 training approved by the Council under this section.

3 (1) The Council may, if it thinks fit, withdraw any approval or  
4 accreditation given under this section in respect of any course, qualification  
5 or institution but before withdrawing such approval or accreditation, the  
6 Council shall:

7 (a) give notice that it proposes to do so to all parties to be affected  
8 by the action;

9 (b) afford the parties an opportunity of making representations to  
10 the Council with regard to the proposal; and

11 (c) take into consideration any representations made in respect of  
12 the proposal pursuant to paragraph (b) of this subsection.

13 (3) In respect any period during which the approval or  
14 accreditation of the Council under this section, for a course, qualification or  
15 institution is withdrawn, the course, qualification or institution shall not be  
16 treated as approved under this section; but the withdrawal of such an  
17 approval shall not prejudice the registration or eligibility for registration of  
18 any person who, by virtue of the approval or accreditation, was registered or  
19 eligible for registration immediately the approval or accreditation was  
20 withdrawn.

21 (4) The giving or withdrawal of an approval or accreditation under  
22 this section shall have effect from such date, either before or after the  
23 execution of the instrument signifying the giving or withdrawal of the  
24 approval or accreditation, as the Council may specify in the instrument and  
25 the Council shall:

26 (a) as soon as may be, publish a copy of every such instrument in  
27 the Gazette; and
